NOTICE TO ARCHITECTS

The Board of Regents of the Uni-versity of Arizona in accordance with the provisions of the laws of Arizona

hereby advertises for plans and speci-tications in detail for a College of Mines and Engineering Building, to be

rected upon the grounds of the Uni-cersity of Arizona, near the City of Pucson, County of Pima, State of Ari-

The sum authorized to be expended

The sum authorized to be expended for the erection of said structure, including architect's premium and the fee for superintencence of construction is the sum of \$150,000. The premium which is to be awarded to the architect whose plans and specifications for said building may be adopted by a receiver of the large architect.

is 3 per cent of the total amount ap-propriated for the purpose aforesaid, and the fee for superintending the construction of said building is 2 per

ent of the total amount so approp-

The architect whose plans and spec

flientlons may be adopted, before any premium shall be awarded therefore, must execute and file with the said Board of Regents a good and sufficient bond with two sufficient sureties.

clent bond with two sufficient sureties thereto, or with an approved surety company as such, in the penal sum of Fire Thomsand Dollars (\$5,000,00), said bond to be approved by said Board of Recents, conditioned that within sixty days from the date of said bond the said architect will, but presentment to him, enter into a contract containing such conditions and provisions as may be required by the said Fourd of Resents, and also that he will give such further bond, to secure bim, in the faithful performance of such contract with such sureties as may be required.

th such surcties as may be required him, in the event that said Board Regeats should within sixty days quire said architect to enter into the contract to erect said structure

The said Board of Regents reserves be right to refect any or all of the dans and specifications which may be admitted according to the program

of the competition, and also reserves he right to make its own provision or the superintendence of the erection

of said building.

The program of this competition, including general specifications for said building, information relating thereto, blue prints of suggested floor plans, a map of the University grounds, and pictures of several of the University buildings may be secured on application to Dr. R. B. von KleinSmid, President of the University of Arizona, at his office upon the

of Arizona, at his office upon the grounds of said University.
